

# Ever feel left out?

**Lisa didn't realise the party was cancelled...**

**Her friend told everyone by posting a bulletin to her Myspace page from her cellphone and they all went to a gig instead**

Lisa wasn't on Cellshout so she didn't get the post sent on to her cellphone

**Don't risk being left out like Lisa  
Subscribe to Cellshout and you can...**

- Post direct to your Myspace page via cellphone
- Get bulletin posts from Myspace friends via SMS
  - On 94% of all US cellphones - not just ATT

## **IT'S A FACT...** **for every lonely girl,** **there's a special guy** **aching to see her...**

**Sarah proved it after years of feeling left out...**

Cellshout helps her meet her favorite Myspace friends in town... then one night out with them she met Terry - it's what can happen when you're out with your friends...

With Cellshout you can...

- **Post to your Myspace page via cellphone**
- Get posts from Myspace friends via SMS
- On 94% of US Cellphones not just ATT
- Choose who you get messages from
- Two minute membership sign-up
- Stop instantly whenever you wish
- Guaranteed 100% Spam Free

Sarah's happy... now she sees her best Myspace friends in town, and... Terry of course - **so why not you?**

**Cellshout keeps you in the loop with Myspace friends who you can meet up with face to face...**
